**Headline/Subject Line:** Learn more about Invest in ME Kindergarten. Our school will be sharing materials all year!

Our school is proud to participate in Invest in ME Kindergarten- an initiative of the Alford Scholarship Foundation (ASF) and the Finance Authority of Maine (FAME) aimed at helping Maine kindergarten students and their families plan and prepare for higher education.

This fall's activity encourages our kindergarten students to dream big and imagine what they could be when they grow up. Keep the fun going at home! We encourage you to check out the family resource guide and talk to your child about the activity.
